Suitcases can be left in Berlin, and a travel bag taken to Dresden. A shuttle travel bag service transports all travel bags between hotels. Alternatively a pannier is available. All guests are required to bring their own small backpacks and to pack any items required for use en route, such as warm clothing, a rain jacket, water and any snack treats.

Distances cycled daily are moderate. The shortest distance, is around Berlin on the Monday and is about 15 km at most. The longest distance is on the 6th day of 58 km, with 22 km in the morning and 36 km in the afternoon. At an easy pace of 15 km per hour, this represents about 4 hours cycling this day. Guests will therefore, need to be reasonably fit although being part of the 'lycra brigade' is not a prerequisite. The terrain is flat for the entire trip. The weather in the summer months should be fine and sunny, however there are no guarantees. If it rains, you may get wet. There is not much we can do about the weather.
